Dr. L. H. Burney, Surgeon General  
United States Public Health Service  
Department of Health, Education  
and Welfare  
Washington 25, D. C.

Dear Dr. Burney:

It has been brought to my attention that Pharmacist Director  
Milton W. Skolaut, Chief, Pharmacy Department, National Institutes  
of Health, of your Service has been of considerable assistance to  
this Agency for the past two and one-half years in certain technical  
matters.

Mr. Skolaut has responded promptly and with evident professional  
skill on the occasions when his help or advice has been sought by offi-  
cials of this Agency. We are grateful for this assistance and appre-  
ciate very much the fine cooperation we have received.

Sincerely,

L. E. White  
Deputy Director
